DR. A. YOUNG'S

Bronchial Syrup.

This BRONCHIAL SYRUP is a safe and certain remedy for SCROFULA in many of its varying forms. Its effects are speedy and permanent. It cures rapidly Coughs, Colds, Croup, Bronchitis, Asthma, Consumption in its early stages, Dyspepsia, Loss of Appetite, General Debility, &c.

This preparation is perfectly harmless never producing any unpleasant symptoms of the smallest description to the most delicate stomach. Its results are Tonic and Invigorating, giving a good and healthy appetite. It is composed of fresh and unmixed raised materials which, in the combination, exercise an alterative influence over the entire system. The Medicine is alike efficacious upon the Aged and Infant, curing Cough, Colds, Croup, Asthma, and Bronchitis, Incipient Consumption, and also upon the Alimentary Canal, eliminating and exterminating its action, and driving out that Hydra-headed monster, Dyspepsia.

It has been tested by large numbers of persons, and has invariably given relief and satisfaction. It is also prescribed by many practicing physicians in this State.

Among those who have tested it and testified to its efficacy, we mention Rev. J. H. Daily, M. G. Waddell, Esq., Rev. J. B. Bobbitt, Gov. Holden, Rev. W. H. Wills, Rev. T. M. Jones, A. S. Hawkins, M. D., Rev. C. S. Riddick, Bishop D. S. Doggett, Bishop G. F. Pearce, Ex-Gov. A. Gouchor, Rev. Dr. Cheshire, Rev. R. B. Sutton, Hon. A. W. Venable, Bishop Davis of S. C., Rev. N. F. Reid, and hundreds of others whose certificates Dr. Young has in his possession.

PERFIDY AND BASENESS.

The inconsistency and disregard of moral and political obligation—the utter perfidy and baseness—as displayed by Rodman, Pool, Reade, Holden and a score of others whose names will readily suggest themselves to the reader's mind, for the last three or four years, will not, perhaps, be so much a matter of wonder, if we call to mind the antecedents of these men and trace their actions in connection with the past political history of the State, and especially with that part of it immediately relating to the events of the late civil war.

Most of these men were blatant secessionists before and at the beginning of the war, and even to near its close. They encouraged their neighbors' children to go into the Confederate army, many of whom were slain or maimed for life, and now they would make the survivors odious by calling them "traitors" and "rebels," and all for doing what they encouraged and urged them to do.

Now these men, with Gen. Clingman, are eligible to office, while the old Magistrates, Constables, Clerks of Courts and Sheriffs, are banned and forbidden to hold any office or place in the State or National government, unless by special favor.

The conduct of such men as we have alluded to would not have caused much astonishment in the reign of Charles the First, or during the French revolution; nor ought we to be very much astonished at their *conduct* even in this day; the great cause of astonishment being that there should be *such men*. The existent fact shows that mankind is about the same in all ages.

There have been men politically and morally corrupt in all ages of all civilized countries, but we believe the standard of political morality is lower now than it has ever been before in this county. There are more men who will stoop to do meaner things for the sake of office and plunder, than could have been found at any time since the beginning of our history as a people. Our own State has afforded abundant proof of this statement, in the public acts of the men we have above named and of hundreds of others that might be added.

What other age or nation has produced a public man who declared that he swore allegiance to a Government to embarrass it, as did John Pool? What age or nation has ever produced a public man who would unblushingly, on oath, acknowledge that he had taken a bribe of twenty thousand dollars, and arrogate credit to himself for not taking forty thousand, as Sloan did?

What Governor of a State, or head of a government, ever appointed an agent of doubtful character to take in hand millions of the people's money, without check or restraint as to its proper application, and then keep such agent in position after it was known that he was squandering the funds in his hands, as Holden did?

Holden, although an original secessionist, and the first man who advocated secession in the State, now claims to be a spotless Union disciple, and is highly offended if he is not regarded as one of the "original panel." Hence his deeper perfidy and baseness.

But the most lamentable feature of the times is, that the people, long enured to looking upon such examples of baseness and public dishonesty, are beginning to view them with less and less disgust, and to be less and less shocked at their exhibition. It is a woful epoch for any nation or people to arrive at when public dishonesty and official immorality are the rules instead of the exceptions in men in high position and when the difficulty of punishing public criminals operates against the attempt to bring them to punishment.

CLINGMAN IN A NEW ROLE.

Gen. Clingman, it seems, is growing tender hearted and forgiving in his old age.—He thinks it bad policy to impeach.

The General, no doubt, thought it bad policy to investigate the Railroad frauds, and hence he refused to appear and give evidence before the Welker Committee during the last session of the General Assembly.

The General was not swung up by the neck, under the Governor's orders, like Rogers, Murray and Patton were. He was not knocked on the head with a fence rail, and afterwards tied on his horse, bareback, and trotted fourteen miles, as Wiley was. He was not ironed down in a loathsome dungeon among lice and filth, as Wheedon was.

The General has very broad shoulders, and although they are a little bent under the weight of years, they can yet bear a great amount of misfortunes, of *other people*. Should the next Governor of the State undertake to hang the General up by the neck, knock him down with a fence rail or manacle him to a dungeon floor, without accusation or charge on oath or affirmation, we venture the prediction that he will then cry out for impeachment.

"GIVE 'EM H—LL."

When "Rotating Dick" argued the *habeas corpus* case of A. G. Moore before the Judges of the Supreme Court, he went out of his way to make rude and offensive remarks against some of the foremost members of the legal profession of the State—"the fathers of the Bar" of North Carolina, who appeared as counsel for the petitioners. All will remember his attempted sarcastic allusions to Judge Battle, Gov. Bragg, B. F. Moore, Esq., and Gov. Graham, as "the bald heads" and "gray heads," who "refuse to aid in putting down the Ku Klux." The next issue of the *Standard* spoke of the "Rotator's" argument as "able," and said that the "Rotator" had been complimented by the Court.

The compliment alluded to was this: Judge Pearson said to him, after the adjournment, "you made a good speech; you gave them hell." To another person the Judge remarked, "Badger laid it on them d—d well." This we got as coming from "Rotating Dick," himself. There was no one hurt by the speech except Dick, and no one ever commended it, or was gratified by it, that we ever heard of, but the Governor and Chief Justice, and we all know why it did them good.

Between the Governor and the Chief Justice, we fear that Richard will be ruined, if he is not already gone beyond recovery.

The "Rotator," in alluding to his efforts in behalf of the two "lambs," White and Craige, on Thursday, says he "gave it to Joe Turner." Well, perhaps he *thinks* he did; we have no disposition to "give it" to Frank Caldwell's "little didapper" in return, although we have the means of doing so if we desired. We will only say, as the Governor said once, when Dick had betrayed him, "O Richard! Richard!!"

CONGRESSIONAL VOTE—OFFICIAL.

We have given, two or three times, what we received as the official majorities in the counties composing the 4th Congressional district, at the election held on Saturday, 26th ult. Below we give it again; this time as it was returned by the Sheriffs of the several counties at Louisburg, on Thursday, and, right or wrong, we are going to stick to it, now, for the authorities say it is right.

Two Townships in Franklin county, giving Holden a majority of 28, were thrown out, for not making proper returns. There were only five white men in Franklin county who voted for Joe Holden. They were, J. T. Harris, the Representative from the county, Judge Watts, two men of the name of Dickerson, and a man by the name of Holmes.

The aggregate vote in the district was over 3000 below what it was in August.—Had there been a full vote we believe Mr. Manning's majority would have reached 1500.

SHORT-HAND MARTLIN.

This whilom Professor in the University and refugee from the land of the Pilgrims, who carries constantly in his gizzard a grit of the veritable Plymouth Rock, succeeded, by a palpable, and as we believe, intentional misrepresentation in his report of Thursday's Senate proceedings, in creating quite an excitement against Senator Graham, among our foreign born fellow citizens.—Mr. Graham was reported in the *Standard* as offering, from the Judiciary Committee, a bill providing that no man shall vote or hold office in the municipal corporations of the State, who is not a native born citizen.

No such bill was reported by Mr. Graham, and Martlin knew there had not been, when he penned the report. Mr. Graham took occasion, under a question of privilege, in the Senate, yesterday, to correct the falsehood.

The excitement throughout the city, after the appearance of the statement in the *Standard*, among our foreign fellow citizens, was intense, and so exercised was Tim Lee on the subject, that he telegraphed the report to his friends in Boston. Will he telegraph the contradiction?

The deliberate publication of such falsehoods will react on the inventors, for "falsehoods like fowls, will return home to roost."

For the Sentinel.

Editor Sentinel:

SIR—I have noticed, to my utter surprise, that Judge Pearson has had the *presumption* to send to the Legislature, a memorial or paper writing, justifying his judicial course.

The Legislature *did right in stopping its reading*, for it certainly was a *gross* and daring *insult* to the understanding as well as the integrity of that body.

Public opinion *demand* an immediate impeachment, both of the Judge and of the Governor, and will be satisfied with nothing less, and I now say unto the Democrats and Conservatives of this General Assembly, that if they neglect to impeach them that no one who fails to do so will ever be returned to a seat in the Legislature of North Carolina. Mark what I now say.

Nov. 28, 1870. YADKIN.

FLORIDA.—And now comes Florida. Cursed like North Carolina, for two years past, with Radical rule and with pilfering in high places, her people have arisen and have repudiated the rule of the carpet-bagger. The State has been redeemed. The Democratic candidates for Congress and the Lieutenant Governor have been elected by from two to three hundred majority, not counting the Independents, of from five to six in the House and one or two in the Senate. Reed may continue in the Gubernatorial chair, but his power to harm has ceased with that of Holden in this State. The fangs of the reptiles have been extracted, and, in this State at least the reptile itself will be crushed.—*Wil. Journal.*

Legislature of North Carolina.

SENATE.

FRIDAY, Dec. 2, 1870.

The Senate was called to order at 10 o'clock.

Prayer by the Rev. Mr. Carroll, of Wake Forest.

QUESTION OF PRIVILEGE.

Mr. Graham rose to a question of privilege and read the following extract from the *Standard* in the Senate proceedings of yesterday, to wit:

"Mr. Graham asked leave for the Committee on Judiciary to make certain reports. There being no objection Mr. Graham reported a bill in relation to Municipal corporations, providing that no man shall vote or hold office who is not a native born citizen of the United States, and recommended its passage."

Mr. Graham said this was a misrepresentation while he did not care what that paper might say of him editorially, he had the right to demand that its report of the proceedings of this body should speak the truth, and read the following section of the bill alluded to in the above statement, to wit:

"No person shall be entitled to vote for Mayor, intendant of police, Commissioners, Alderman or other officers of an incorporated city or town, or at any election held therein for any municipal purpose, unless he shall be a native or *naturalized* citizen of the United States, and shall have resided next preceding the day of election thirty days within the corporation and ten days within the ward in which he claims to be a voter.

Mr. G. subsequently said that it was due the Reporter to state that it was not intentional, but an inadvertence on his part.

Mr. Allen rose to a question of privilege and said, that he was not in his seat at the time the Committee on engrossed bills reported the bill appointing a Commissioner to take testimony in the contested election from Granville and Pearson. He had heard that in consequence of the vote he gave against the seating of Mr. Lassiter, upon the presentation of the Sheriffs' certificate, his motives in accepting the position of said Commissioner might be liable to misconstruction.

As he did nor desire to be placed in any position in which his integrity could be at all suspected, he would be glad for the Senate to relieve him from the position. He did not understand his vote as at all prejudging the case, but as he desired that it should be distinctly understood that he did not seek the position, nor desired it, he hoped he would be relieved.

Mr. Barnett said, he had not intended saying a word about this contested election nor did not now rise to say a word in his behalf, but to express his satisfaction at the appointment of Mr. Allen. He preferred Mr. A. because he had voted against Mr. Lassiter being allowed a seat on this floor when his certificate was presented. He believed Mr. A. would do his whole duty to both parties, but whether he did or not, the whole matter would be submitted to the decision of the Senate, and he had the magnanimity to believe, that although a large majority of the Senators present differed with him politically, yet, that justice would be done.

The President stated that he knew of no remedy unless it be thought a supplemental bill and associate another party with Mr. A.

No further action was taken.

FROM THE HOUSE.

The following resolutions were transmitted from the House asking the concurrence of the Senate in their passage, to wit:

Resolution in favor of W. E. Pearcy, Sheriff of Yancey, lies over.

Resolution of instruction to the Representatives of this State in Congress to use their influence to secure the passage of certain bills, lies over.

By Mr. Mauney: A joint resolution relating to the Homestead and personal property exemption and right of suffrage; lies over.

The following resolutions were taken up, having laid over one day under the rules to wit:

Resolution of instruction to the Representatives of this State in Congress in reference to the revenue tax on whisky, brandy and tobacco, was adopted.

Resolution authorizing the usual number of rules of the Senate together with the joint rules of both Houses to be printed with marginal reference.

On motion of Mr. Graham, its consideration was postponed until to-morrow.

Resolution instructing the Committee on Finance to ascertain and report the condition and amount of the assets of the State; adopted.

Resolution relating to leave of absence, provides that no member shall receive *per diem* when absent by leave except in cases of sickness.

On motion, it was referred to the Committee on Claims.

SPECIAL ORDER.

Bill to repeal an act authorizing the Dan River Railroad Company to construct and extend their Road.

Mr. Morehead said this was a very important matter and should be considered maturely, there were several Senators absent whose constituents were directly interested in it, and he hoped its further consideration would be postponed until Monday next and made the special order for 11 o'clock.

Mr. Cowles moved to amend by inserting Tuesday instead of Monday, which was accepted by the mover.

Mr. Smith said he desired immediate action, and in order to bring it before the House and have it discussed he moved to indefinitely postpone the bill, which took precedence, and Mr. Morehead withdrew his motion to postpone.

The matter was discussed at length.

The following Senators supported the bill: Messrs. Smith, Graham, McClammy, Olds and Love, and

Messrs. Morehead and Cowles opposed the bill and urged postponement, finally.

On motion of Mr. Cowles, its further consideration was postponed and made the special order for Wednesday next at 11 o'clock.

SECOND READING OF BILLS.

Bill to repeal an act to regulate the manner for applying for pardons; passed.

Bill fixing the salary of Attorney General to $2,400 and repealing all acts conflicting with the same.

This bill created a lengthy discussion.

Messrs. Graham, Dargan, Olds and Smith supported the bill and urged its immediate passage.

Messrs. Love, Robbins of Rowan, Linney, Robbins of Davidson, Worth and Troy opposed the bill, because they did not like the plan, they preferred a general bill on the subject of salaried offices which Mr. Love had stated he had already drawn and would introduce to-morrow fixing the salaries of all the officers except Governor and Treasurer which were fixed by the Constitution.

Mr. Robbins of Davidson moved to postpone the further consideration of the bill until Thursday next at 11 o'clock, which was lost.

Mr. Love moved to adjourn, motion was lost.

Mr. Worth moved to lay the bill on the table.

Mr. Graham called the previous question which was sustained, and the bill was rejected.

Mr. Graham changed his vote in order to move a reconsideration of the vote.

On motion, the Senate adjourned.

NOTE.—In yesterday's proceedings it appears that Mr. Robbins of Rowan reported favorably on a bill to authorize the Dan River Railroad Company to construct and extend their Road.

It should have been a bill to *repeal* the said act.—REPORTER.

(Newsom, the former Republican candidate, claiming to have been legally elected over Mr. Jernigan, who obtained a certificate, but who resigned before the meeting of the General Assembly.)

The Chair announced the following Committees:

Committee on Propositions and Grievances—Messrs. McNeill, Rankin, Maxwell, Gullick, Lackey, Williamson col. Willis col. Goodwin, Grayson, Armstrong and Martin.

CALENDAR.

Bill declaratory of the meaning of the act entitled "an act to repeal certain acts passed at the session of 1868 and 1869 making appropriations to Railroad Companies, ratified 8th of March, 1870, was taken up and made special order for to-morrow at 12 o'clock.

Bill consenting to the purchase by the United States of a site for a Light House, near Bodie's Island, was taken up.

The amendments reported by the Committee were concurred in and the bill passed its second reading.

On motion of Mr. Sparrow, the rules were suspended and the bill passed its third reading.

Bill repealing the act extending the corporate limits of the town of Goldsboro, was taken up and continued upon the calendar.

Bill to make 8 per cent. a legal rate of interest, was taken up, and, on motion, laid on the table.

Bill to authorize the Commissioners of Henderson County to sell a part of the land belonging to the Poor House, was taken up, and, on motion, was referred to the Committee on Propositions and Greivances.

Bill to prevent felling trees in Little River, was taken up, and, on motion, was referred to the appropriate Committee.

Senate Bill to amend the act incorporating the town of Washington and for other purposes, was taken up and amended by Mr. Sparrow.

The question recurring upon its passage on its second reading, a long debate arose upon the question of the time of residence requisite to give a right to vote.

Page, col. wished to make it 10 days.

Sykes, col. favored 30 days.

Mr. Sparrow in his argument in support of the bill, insisted that the time should be 90 days as the bill provided.

Mabson, col. moved to amend by making the time 30 days.

Mr. Dunham argued in support of the bill without amendment, as it protected the interest of the real and permanent citizens.

Ellison, col. was opposed to the bill.

Tucker, col. also opposed it.

Mr. Sparrow offered to compromise the matter with Mabson and make the time 60 days. He advocated this bill in order to protect real citizens and in order to cut off a class of wandering persons, who squatted in town just 10 days before the election, controlled its affairs and then left and were seen no more until next election.

Mabson refused.

Mr. Jones of Caldwell would support the original bill, but he would like to see the time of residence made 60 days.

Mr. McAfee took the floor and argued in favor of the bill as it came from the Senate. He thought the cry that proscribing a certain time of residence within the corporate limits was disfranchisement, was ridiculous, for in that case the present law which prescribes 10 days would operate in the same manner. He was not so much interested as to the question of time, but only argued that it was not connected with disfranchisement.

Mr. Phillips favored the amendment offered by Mabson, col.

Mr. Ashe followed in opposition to the amendment and in advocacy of the bill.

The debate continued, and during which, Mabson, col., said he regarded the provision of the last Legislature, requiring 10 days' residence within the corporate limits of any town or city, as unconstitutional.

Mr. Sparrow called the previous question. The call was sustained and the amendment was rejected by a vote of yeas 48, nays 52.

The bill then passed its second reading by a vote of yeas 58, nays 42.

On motion the House then adjourned.

PROF. CHANDLER of New York City, in a lecture delivered by him at Cooper Institute, March 19, 1870, said:

"It is hardly necessary to enlarge upon the terrible accidents which have resulted from the use of unsafe kerosene; you have only to read the news-papers from day to-day to see them. It is stated by some that these are exaggerated; that these accidents never occur, and that you and I never had a friend burned to death; still we do have an enormous number of terrible accidents from petroleum. In the last seven months of 1869 there were fifty-five kerosene accidents in New York, resulting in twenty-three deaths, eighteen serious injuries and fourteen slight ones. The total result for the year 1869, for the City of New York which I myself have cut from news-papers is fifty-two fatal accidents from dangerous kerosene, fifty severe and six slight, in all 108 persons to my knowledge, from my own reading, have been injured by kerosene in one year."

CATHOLIC.—The Right Rev. James Gibbons, D. D., is at present in our city.—This morning at 9 o'clock he will celebrate Mass and administer the Sacrament of Confirmation. On to-morrow (Sunday) the Bishop will be present at the 11 o'clock services. He has consented to preach twice on to-morrow, viz: at the Mass of 11 o'clock, and during the evening devotions commencing at 7 o'clock, P. M.

FUN DOC.—We are indebted to Hon. Horace Capron, Commissioner of Patents, for a copy of the Annual Report of the Department of Agriculture, for 1869.

SOMETHING NEW.—We noticed, several days ago, an engine which was just turned out from the Raleigh and Gaston Railroad Shops, that is quite a novelty, in regard to its construction, at least in this section. It is called a "tank engine," because, we suppose, it has the tank built above the boiler, and therefore does not require the attachment of a separate tender.

It was put up under the direction and superintendence of Mr. J. B. Gayle, Master Machinist of the Company, and is intended as a yard engine, for shifting cars and transporting cars between the two depots. It is a sufficient curiosity in Railroad machinery to justify a walk to the depot to see it.

FOUND.—That lost powder flask, mentioned a day or two ago. It has been left at this office.

MORE BIG POTATOES.—Another lot of large sweet potatoes found their way to our office, yesterday, destined this time for the Local, from the same kind lady friend, Mrs. Eliza Powell, that sent those to the editor, the day before. If some of these don't take the shape of a "sliced potato pie," before many days have entered their records on the great page of eternity, it will be because the decrees of fate are thwarted. For fear of a crowd on the occasion, we will not mention the day.

The grand Chapter of North Carolina met in Wilmington on Wednesday morning.

Stone and Murray with their circus delighted Charlotte yesterday.

U. S. CIRCUIT COURT.—We are requested to state that this tribunal will commence the peremptory call of the civil trial docket on Monday next. Members of the Bar having charge of cases on that docket, will make a note of it.

The N. C. Conference of the M. E. Church at its meeting this week, urges the speedy completion of the Greensborough Female College.

A fire occurred in Wilkes county on the the 17th ult., destroying the dwelling, furniture and outhouses belonging to Allen Denny. Accidental.

On December 1st, our esteemed cotemporary, the *Yadkin Countryman* entered upon its forty seventh volume. It has our congratulations and best wishes for a long and prosperous life.

The people of Paris eat eating a thousand horses a day, on an average. We suppose horse beef becomes palatable when one gets use to it.

N. C. CONFERENCE.—This body which sat in Greensboro last week, in the statistical reports, show collections for missionary purposes $3,111.95. There are in the bounds of the Conference 212 Local preachers; 45,125 white communicants, and 1,376 colored communicants.

WHAT BUTLER THINKS OF SOUTHERN SOLDIERS.—In a speech delivered recently in Boston by B. F. Butler, in which he urged his war scheme with Great Britain, occurs the following allusion to the "brave sons of the South:"

"Give the privilege to the brave sons of the South to defend their country again in a foreign war, and especially one with Great Britain, not loved by them any more than by us; and it would bring us all together again—uniting us, with one flag, one country, and one destiny."

If there be one reason greater than another why this "privilege" would not be embraced by the "brave sons of the South," it is that it would bring Butler and themselves together again.

From such fearful calamity, Good Lord deliver us!

South Carolina has three colored members of Congress, a colored Lieutenant-Governor, eleven colored State Senators, and eighty colored members of the House, besides a colored Secretary of State and a Supreme Judge.

A cotemporary suggests that the name of the State be changed to "West Africa."

TO LIFE INSURANCE AGENTS.—One of the soundest and best established Life Companies, in this country, with a good list of policies in force in this State desire a man of high character to act as Gen'l Agent. He will be required to travel most of the time, must be a good solicitor and fond of the work. The position offers good pay with prospects of permanent employment.

STATE COUNCIL, F. of T.—This body adjourned, last night, after two days of harmonious sessions, to meet in annual Council again on the second Wednesday of November 1871, at Franklinton, on the Raleigh and Gaston Railroad.

On yesterday afternoon at 4 o'clock, the Council went into an election of officers for the ensuing year:

President, Thos. N. Ramsay, of Raleigh.
Associate, John R. Morris, Goldsboro.
Chaplain, Rev. F. D. Swindell, Hyde.
Secretary, Rev. R. H. Whitaker, Raleigh.
Treasurer, V. Ballard, Raleigh.
Sentinel, D. T. Moore.

PERSONAL.—Hon. John Manning, Jr., member elect to Congress from this District, arrived in our City last evening. He proceeds Monday to Washington City, to be present on the assembling of Congress.

MR. JULIUS A. BONITZ, the clever editor of the Goldsboro *Messenger*, paid us a visit yesterday. He visits Raleigh in the interest of his paper, which he reports to be doing well. May his shadow never grow less!

The Greensboro' *Patriot* in speaking of the recent defeat of "my son Joe," says: "this is a little more glory, and another signal proof of how the people endorse our beloved Governor."

The outlaws of Robeson county are still at work. A Mr. Saunders a U. S. soldier belonging to the 8th Regiment, was recently captured by these marauders, and has not been heard of since. It is apprehended that Mr. S. has been murdered. Cannot the citizens of the several surrounding counties adopt some means to arrest or break up this terrible band?

For the Sentinel.

N. C. ANNUAL CONFERENCE, METHODIST PROTESTANT CHURCH.

FIRST DAY.

The annual assembling of the North Carolina Conference of the Methodist Protestant Church, though not a matter of sufficient importance to demand a notice in your paper, yet as a fact now transpiring, your correspondent asks a space for the brief notes he may make—"on the spot" of its doings and sayings—mainly its doings.

According to adjournment, last year, the President, Rev. A. W. Lineberry, opened the session, at 10 o'clock A. M. Wednesday the 30th day of November, 1870, at the Temple Church, in Edgecombe County, N. C. about one and a half miles distant from Whitaker's, on the Wilmington and Weldon Rail Road.

At 11 o'clock he discoursed from the pulpit on these words "and He said unto them, I beheld Satan as lightning fall from Heaven." Luke the 10 chap. and 18 verse. Not being an expert in such matters, I must dismiss the brief allusion to the sermon with the remark, it was delivered with earnestness and received with marked attention, the audience being members of the Conference mainly.

There were some twenty ministerial members present with not so large attendance of the Lay element.

This branch of the Methodist Church has been striving for more than a quarter of a century to establish and build up a church in which the Lay element shall work in harmony with the Ministerial.

The published minutes of the last Conference, to which I have had the privilege to refer, show a membership of some seven or eight thousand. The statistical report has not thus far, been made up for the present Conference year.

The Laymen in attendance to-day are not as numerous as the Ministers, but present the appearance of zealous *co-operationists*. From the sea board to the mountain tops they have come to unite with the ministry, in furthering the great principle for which the Church is laboring—the salvation of the world. This is the great "salvation for which the Apostles and Profits sought diligently" and which is found in Christ Jesus alone.

Dr. A. C. Harris was elected secretary and the rules of order governing the last Conference were adopted. The Conference being organized, commenced the investigation of "official character."

At the call of each Superintendent, that officer is required to present a report—in printed form with blanks filled out—giving the statistics of his field of operation, receipts, &c. This makes easier work for the secretary. Thus far no objection has been urged to the passage of the official character of any minister whose name has been before the Conference.

I notice that all the *talking* is not done by the ministerial members, for the laymen frequently occupy the floor, and show decided familiarity with the laws of the Church.

Letters were received from two ministers and three lay delegates elect, who are unable to attend, which were appropriately referred: and Rev. A. M. Lowe was transferred to the unstationed list at his request.

OXFORD HIGH SCHOOL,
Oxford, N. C.

J. H. HORNER, B. H. GRAVES, } Associate Principals.

THIS SCHOOL which has been for the last twenty years under the exclusive charge of J. H. Horner, will henceforth be conducted under the joint supervision of the above principals, with competent assistant instructors in every department.

The *course of study* has been extended, and boys will be thoroughly fitted for advanced classes on college, especial reference being had to the qualifications requisite to admission into the junior classes in the University of Virginia, or Washington Lee University, the latter of which has again conferred upon the school the honor of a scholarship in that Institution.

A regular course of study in Natural Science, Commercial Science and the Modern Languages has been added to the school for those students, who, desiring to acquire only a complete business education, may wish to substitue these studies for Latin and Greek.

No pains will be spared to render the instruction in the school efficient and to furnish to students the most ample facilities for thorough preparation for college or for the acquisition of a good business education; and the principals flatter themselves that their long and successful career as teachers is a sufficient guarantee that the school will be in all respects worthy the public confidence and support.

The Spring Session will open the second Monday in January.

Circulars containing terms and full particulars furnished upon application to either of the principals.

TELEGRAPHIC.

Friday Evening Dispatches.

FOREIGN.

TOURS, Dec. 2.—It is announced that Gen. Ducrot, with one hundred thousand men made a great sortie from Paris on Wednesday and crossed the Marne. The movement was completely successful. Details are momentarily expected.

The news of the successful sortie around Paris, caused indescribable excitement here.

The *Monitor* has the following details: The sortie began on the 29th and the battle lasted all that night up to the next night. Gen Ducrot then crossed the Marne and occupied Moesley. He subsequently evacuated Moesley and engaged the enemy at Champigny, fighting his way to Brieres, and then recrossed the Marne by 8 pontoon bridges and maintained his position on the bank. He took 2 Prussian guns. He has since taken possession of Thomay.

LONDON Dec. 2.—The Standard has war dispatches down to 3 this morning. A Berlin dispatch says that the French were repulsed in their great sortie on Thursday. The French authorities here claim a brilliant victory for the French. There is no sign of weakness at Tours.

Eleven new entrenched camps are forming throughout France.

The *Times* thinks the policy of the Germans in changing their positions indicates important new movements which will likely bring about great results.

Dispatches, dated Paris, Nov. 30, say that operations commenced around Paris yesterday. Ducrot with a large force moved from Paris and occupied Montrietts, which he was soon compelled to evacuate. The heaviest fighting was at Champigny Brieres and Villers-Sur-Marne. The French are now renewing the attack.

BERLIN, Dec 2—King William sends the following to the Queen:

VERSAILLES, *Nov 30*.—The 6th corps yesterday, repulsed a sortie near L'Hay. Over a hundred prisoners were taken and four hundred killed. The French also sortied on the Wurtemburgers and Saxons and their position were taken by the French, but were subsequently retaken. Simultaneous sorties were made on the South and West and at St. Denis. The French were repulsed and driven behind their works in all cases. I remained at Versailles, as it was the central point.

The following has just been received from the Commandant of the 7th Prussian corps, dated on Thursday: A great sortie occurred yesterday. The French moved out against the Prussians and Wurtemburgers early in the morning, supported by a heavy fire from the forts. Trochu and Ducrot commanded, leading 120,000 men. At 11 o'clock the French were repulsed by the 6th corps and retired. Subsequently at 3 o'clock the French attacked Wurtemburgers and were again repulsed.

LAVAL, Dec. 2.—There is great excitement over Gambetta's dispatch, announcing great success around Paris, where sorties in force drove the Prussians along the entire line. The line of battle was many miles in extent. Many prisoners and cannon were captured.

Gambetta attributes the evacuation of Amiens to the Prussian defeats around Paris.

Gambetta publicly announces that the army of the Loire successfully resisted the attacks on the right and left wings, and is now moving forward. Gambetta continues, "victory now favors the French." *Te Deums* are being chanted here.

Friday Night Dispatches.

NEW YORK.

NEW YORK, Dec. 2—The President's of the railroads throughout the country are in secret session at St. Nicholas Hotel. It is understood the object is to push on and to pursue competitions. No commission has been reached, and the meeting convenes again to-morrow.

LOUISIANA.

NEW ORLEANS, Dec. 2.—All the Baton Rouge prisoners were released to-day.

FOREIGN.

LONDON, Dec. 2.—The French claim successes at Portay in the department of the Loire.

A telegram to the *Times* says, Prince Frederick Charles is retiring before the army of the Loire, which is in great force.

A Versailles dispatch says, yesterday a sortie of 50,000 French against the Wurtemburgers at Villiers was flanked by the 6th Prussian corps. The French suffered great loss. The object of the sortie was to open communication with the army of the Loire by way of Fontainbleau.

It is reported that Garibaldi has had a great successful Autem. Nothing official.

A Munich dispatch just received announces that Von Der Tann defeated the army of the Loire, on the 1st, in several battles west of Orleans Tours.

Later and more important dispatches from Tours, relative to the movements of the army of the Loire. The movement of the army began on Wednesday, and was directed by the minister of War.

The first opportunity favorable, Gen. Chanzy left his position. The next day he found the Prussians entrenched and immediately gave them battle which ended only with night. The Prussians were compelled to retire. The French camped in the positions taken. Their artillery was well handled. The German loss was heavy; French loss very light. The French took three important positions.

TOURS, Dec. 1.—midnight.—The army of the Loire engaged the Prussians to-day. Their position extended from Chateau Dun, through Joinville to Tours, and thence to Pithiverses and Beaune and La Rosade.

TOURS, Dec. 1.—Yesterday evening the city was intensely excited; responding to the shouts of the people, Gambetta appeared. He praised Trochu and Ducrot for the successful sortie.—Gambetta reiterated the statement that the French victory compelled the hasty evacuation of Amiens, and that the Germans from that point were hastening to the assistance of the besieging army.

VERSAILLES, Dec. 1.—The French killed and wounded in yesterday's conflict was severe.—The French ask several hours truce to bury their dead.

All quiet before Paris to-day.

WE See a great deal in the papers about the coming exhibition of Col. Simon Haye's New Circus &c. When it does come, it will no doubt be a grand affair, for the Colonel is some in his role, and says and does a great many funny things. Besides all this the Colonel is the best looking man in town, which is accounted for, from the fact that he is a patron of
PINK C. HARDIE.
Now let me say a thing or two about my own exhibition. I have on exhibition the finest stock of Cigars in the State, and at the lowest prices.
I have on exhibition the largest and best assorted stock of Smoking Tobacco in the State.
I have on exhibition the finest stock of Chewing Tobacco in the City.
Also, Pipes of all kinds. I am daily expecting the celebrated Sally Mitchell and Burnett Pipes. Everybody knows these goods, therefore it is needless for me to puff them here.

LIFE INSURANCE AS AN INVESTMENT.

THE

Widows & Orphans

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES on the Mutual Cash Plan, declaring Dividends annually after the first annual premium paid. Assets exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "forfeiture or surrender values guaranteed" as an inducement to new business, but redegence is made to the average amount, paid on each surrendered policy as shown by New York Insurance Reports, 1869 in excess of having paid larger surrender values, than has been given under a minimum "Definite Cash Surrender Value." *Death losses* have not occurred, out of *several hundred policy-holders* in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Fictitious Dividends* are not declared, but Dividends are given from the actual surplus, in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurances, of the

TONTINE DIVIDEND PLAN:

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members about $4 000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $3,500,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealing so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies"
17. The amount of new business during the year ending "December, 1, 1869, was $51,031,141.92.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as in the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000 000 greater than any other company.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IF CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks*,—upon which elements of administration the security of a Life Insurance Corporation *depends*.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Company also to meet all their liability.*

Insurers in looking around for Companies to which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE
